Who We Are

We are a non-profit 501c3 animal rescue group. We focus on animals in desperate situations. We rescue dogs that are in crowded shelters and are euthanized due to space. All the animals that we rescue are fully vetted and fixed. They are all great animals very deserving of loving homes. Our rescue was created through the desire to save more lives. We all have a passion to save animals as well as a commitment to ensure great futures for all our rescues.
